

Home by the sea
Genesis

Ebm

Home by the sea, home by the sea,
home by the sea, home by the sea

C#

Creeping up the blind side, shinning up the wall

Ebm

Stealing through the dark of night

C#

Climbing through a window, stepping to the floor

Ebm

Checking to the left and the right

C#

Picking up the pieces, putting them away

B G#m

Something doesn't feel quite right

Help me, someone, let me out of here

Then out of the dark was suddenly heard

B

G#m

Ebm

Welcome to the home by the sea

C#

Coming out the woodwork, through the open door

Ebm

Pushing from above and below

C#

Shadows with no substance, in the shape of men

Ebm

Round and down and sideways they go

C#

Adrift without direction, eyes that hold despair

B G#m

Then as one they sigh and they moan

Ebm

B

Ebm

Help us, someone, let us out of here

Living here so long undisturbed

Images of sorrow, pictures of delight

Things that go to make up a life

Endless days of summer, longer nights of gloom

Waiting for the morning light

Scenes of unimportance, photos in a frame
