

Home by the sea
Genesis

F#m

Home by the sea, home by the sea,
home by the sea, home by the sea

E

Creeping up the blind side, shinning up the wall

F#m

Stealing through the dark of night

E

Climbing through a window, stepping to the floor

F#m

Checking to the left and the right

E

Picking up the pieces, putting them away

D Bm

Something doesn't feel quite right

F#m

Welcome to the home by the sea

E

Coming out the woodwork, through the open door

F#m

Pushing from above and below

E

Shadows with no substance, in the shape of men

F#m

Round and down and sideways they go

E

Adrift without direction, eyes that hold despair

D Bm

Then as one they sigh and they moan

F#m

D

Help us, someone, let us out of here

Images of sorrow, pictures of delight

F#m

Things that go to make up a life

E

Endless days of summer, longer nights of gloom

F#m

Waiting for the morning light

Scenes of unimportance, photos in a frame
