

**In Hiding**  
**Genesis**

(chorus)

**Dm**                    **G7**  
Pick me up, put me down

**Dm**                    **G7**  
Push me in, turn me round

**Dm**                    **G7**  
Switch me on, let me go

**Dm**                    **G7**            **C**  
I have a mind of my own

**C**                    **Em**  
In hiding

**F**                    **Dm**            **Bb**  
Far from the city of night

**C7**                    **F**  
and the factories of truth

**Am**  
I stand upon the mountain

**Gm**    **C7**  
A million miles from my home

**F**  
And the faces of fear

**G7sus4**                    **G7**  
I have freedom to think

**C**  
In hiding  
I may take off my clothes  
that I wear on my face  
I float upon the river  
A million miles from the plains  
that are piercing the clouds  
I am lost in the beauty

**C**                    **C**  
In hiding

(chorus)

**F G7sus4 G7**

I wish you were here

In hiding

I lie silent at last

I m free from my past

I walk among the tall trees

This is beauty I know

I m in love with it all

I have freedom to love

In hiding
