

In Hiding
Genesis

(chorus)

Ebm **G#7**
Pick me up, put me down

Ebm **G#7**
Push me in, turn me round

Ebm **G#7**
Switch me on, let me go

Ebm **G#7** **C#**
I have a mind of my own

C# **Fm**
In hiding

F# **Ebm** **B**
Far from the city of night

C#7 **F#**
and the factories of truth

Bbm
I stand upon the mountain

G#m **C#7**
A million miles from my home

F#
And the faces of fear

G#7sus4 **G#7**
I have freedom to think

C#
In hiding
I may take off my clothes
that I wear on my face
I float upon the river
A million miles from the plains
that are piercing the clouds
I am lost in the beauty

C# **C#**
In hiding

(chorus)

F# G#7sus4 G#7

I wish you were here

In hiding

I lie silent at last

I m free from my past

I walk among the tall trees

This is beauty I know

I m in love with it all

I have freedom to love

In hiding

(chorus)

(chorus)

On the second time thru the chorus, slow down to the end on the final line to the **C#** chord.

Hope you enjoy it. I ll post more as I figure em out.

-Chris
