

In Hiding
Genesis

(chorus)

F#m **B7**
Pick me up, put me down

F#m **B7**
Push me in, turn me round

F#m **B7**
Switch me on, let me go

F#m **B7** **E**
I have a mind of my own

E **G#m**
In hiding

A **F#m** **D**
Far from the city of night

E7 **A**
and the factories of truth

C#m
I stand upon the mountain

Bm **E7**
A million miles from my home

A
And the faces of fear

B7sus4 **B7**
I have freedom to think

E
In hiding
I may take off my clothes
that I wear on my face
I float upon the river
A million miles from the plains
that are piercing the clouds
I am lost in the beauty

E **E**
In hiding

(chorus)

A B7sus4 B7

I wish you were here

In hiding

I lie silent at last

I m free from my past

I walk among the tall trees

This is beauty I know

I m in love with it all

I have freedom to love

In hiding

(chorus)

(chorus)

On the second time thru the chorus, slow down to the end on the final line to the **E** chord.

Hope you enjoy it. I ll post more as I figure em out.
