Wondering what I could make of my life

Asking all kinds of questions to myself

But never finding the answers
F#m **D7M**

Crying at the top of my voice
Bm7 **E7**

But no-one listening

Bm7 **C#m7**
All this time
D7M **E7**
I still remember everything you said

Bm7 **C#m7**
There's so much you promised
D7M **E7**

How could I ever forget?

You know I love you, but I just can't take this
