Cities of light with no fear of war

Emaj7 Ebm7 Emaj7 Bmaj7
And thousands of creatures with happier lives

Emaj7 Ebm7 Emaj7 Ebm7 B
And dreams of a future with meaning and no need to hide

Oh, keep it dark

|:C :|

E Eb G#m F# B
It seems strange to have to lie about a world so bright

E Eb G#m F# B
And tell instead a made-up story from the world of night

Bmaj7 Emaj7 Bmaj7
I wish, that I could really tell you

Ebm7 Emaj7
All the things that happened to me

Bmaj7
Or all that I have seen

Emaj7 Ebm7 Emaj7 Bmaj7
A world full of people, their hearts full of joy

Emaj7 Ebm7 Emaj7 Bmaj7
Cities of light with no fear of war

Emaj7 Ebm7 Emaj7 Bmaj7
And thousands of creatures with happier lives

Emaj7 Ebm7 Emaj7 Ebm7 Emaj7
And dreams of a future with meaning and no need to lie

Ebm7 Emaj7
No need to hate

Ebm7 B
No need to hide

(n.c.)
