Intro:

```
|:C      :|
```

Verse:

```
G          F#          Bm          A          D
Found that man reported missing, he wandered in his home
```

```
          G          F#          Bm          A          D
It don t seem too bad if you consider just what he s been through
```

```
Bm          F#m          Bm          F#m
Seems he met up with a gang of thieves
```

```
Bm          F#m          Bm          F#m
Who mistook him for a man of means
```

```
          Em          F#m          G
They locked him up, then found he had no money
```

```
Bb          D
So they let him go again
```

```
G          F#          Bm          A          D
Now he s back at home and happy just to see the kids
```

Pre-Chorus

```
Dmaj7          Gmaj7          Dmaj7
I wish, that I could really tell you
```

F#m7 Gmaj7
All the things that happened to me

Dmaj7
Or all that I have seen

Gmaj7 F#m7 Gmaj7 Dmaj7
A world full of people, their hearts full of joy

Gmaj7 F#m7 Gmaj7 Dmaj7
Cities of light with no fear of war

Gmaj7 F#m7 Gmaj7 Dmaj7
And thousands of creatures with happier lives

Gmaj7 F#m7 Gmaj7 F#m7 D
And dreams of a future with meaning and no need to hide

(n.c.)
Oh, keep it dark

|:C :|

G F# Bm A D
It seems strange to have to lie about a world so bright

G F# Bm A D
And tell instead a made-up story from the world of night

Dmaj7 Gmaj7 Dmaj7
I wish, that I could really tell you

F#m7 Gmaj7
All the things that happened to me

Dmaj7
Or all that I have seen

Gmaj7 F#m7 Gmaj7 Dmaj7
A world full of people, their hearts full of joy

Gmaj7 F#m7 Gmaj7 Dmaj7
Cities of light with no fear of war

Gmaj7 F#m7 Gmaj7 Dmaj7
And thousands of creatures with happier lives

Gmaj7 F#m7 Gmaj7 F#m7 Gmaj7
And dreams of a future with meaning and no need to lie

F#m7 Gmaj7
No need to hate

F#m7 D
No need to hide

(n.c.)
 Oh, keep it dark
