(verses)

Em **C**
Well the key to my survival
D **B**
Was never in much doubt
Em **D**
The question was how I could keep sane
B **C**
Trying to find a way out

Em **C**
Things were never easy for me
D **B**
Peace of mind was hard to find
D **A**
And I needed a place where I could hide
C **G**
Somewhere I could call mine

Em **C**
I didn t think much about it
D **B**
Til it started happening all the time
Em **D**
Soon I was living with the fear everyday
Bm **C**
Of what might happen that night

Em **C**
I couldn t stand to hear the
D
Crying of my mother
B
And I remember when
D
I swore that, that would be the
A
Last they d see of me
C **G**
And I never went home again

(bridge)

D **E**
They say the time is a healer

In and out of hiding places

D **B**
Soon I d have to face the facts
D **A**
We d have to sit down and talk it over
C **G**
And that would mean going back

(bridge)

D **E**
They say the time is a healer
D **E**
And now my wounds are not the same
D **E**
I rang that bell with my heart in my mouth
D **E**
I had to hear what he d say

C **G**
He sat me down to talk to me
D **Am7**
He looked me straight in the eyes

(chorus)

He said)
D **G** **D** **C**
You re no son, you re no son of mine

D
But where should I go,
C
And what should I do
Em **C**
You re no son, you re no son of mine
