(verso 1)

**Ab/Eb**

At the top of the stairs, there s hundreds of people,

**Dbm/E**

running around to all the doors.

**Ab/Eb**

They try to find, find themselves an audience;

**Dbm/E**

their deductions need applause.

**Dbm/E**

**Ab/Eb**

The rich man stands in front of me,

**Abdim/D**

**Db**

The poor man behind my back.

**Dbm**

**F#m/A**

They believe they can control the game,

**Ab**

**Db sus4**

**Db**

but the juggler holds another pack.

(ponte)

**F#m7/Db**

**Db**

I need someone to believe in, someone to trust.

**F#m7/Db**

**Db**

I need someone to believe in, someone to trust.

**Abm7**

**F#**

**Db**

I d rather trust a countryman than a townman,

**Abm7**      **F#**

**Db**

You can judge by his eyes, take a look if you can,

**Db**      **Db/F#**      **Db**      **Ab**

He ll smile through his guard,

**Db**      **Db/F#**      **Db**      **Ab**

Survi- val      trains hard.

**Abm7**

**F#**

**Db**

I d rather trust a man who works with his hands,

**Abm7**

**F#**

**Db**

He looks at you once, you know he understands,

**Db**      **Db/F#**      **Db**      **Ab**

Don t need a-      ny shield,

**Db**      **Db/F#**      **Db**      **Ab**

When you re out in      the field.

(refrão)

**Dbm Abm/Eb**

But down here,

**Dbm Abm/Eb**

I m so alone with my fear,

**Dbm Abm/Eb**

With everything that I hear.

**Dbm B/Eb Dbm/E**

And every single door

That I ve walked through

**Abm B/F# Dbm Abm/Eb**

Brings me back, back here again,

**F#/Db Ab/Eb**

I ve got to find my own way.

(verso 2)

**Ab/Eb**

The priest and the magician,

**Dbm/E**

Singing all the chants that they have ever heard;

**Ab/Eb**

and they re all calling out my name,

**Dbm/E**

Even academics, searching printed word.

**Dbm/E Ab/Eb**

My father to the left of me,

**Abdim/D Db**

My mother to the right,

**Dbm F#m/A**

Like everyone else they re pointing

**Ab Dbsus4 Db**

But nowhere feels quite right.

(ponte)

**F#m7/Db Db**

I need someone to believe in, someone to trust.

**F#m7/Db Db**

I need someone to believe in, someone to trust.

**Abm7 F# Db**

I d rather trust a man who doesn t shout what he s found,

**Abm7 F# Db**

There s no need to sell if you re homeward bound.

**Db Db/F# Db Ab**

If I choose a side,

**Db Db/F# Db Ab**

He won t take me for a ride.

(refrão)

**Dbm Abm/Eb**

Back inside

**Dbm Abm/Eb**

This chamber of so many doors;

**Dbm Abm/Eb**

I've nowhere, nowhere to hide.

**Dbm B/Eb Dbm/E**

I'd give you all of my dreams

If you'd help me,

**Abm**

Find a door

**B/F# Dbm Abm/Eb**

That doesn't lead me back again

**F#/Db Ab/Eb**

- take me away.
