

Uncertain Weather
Genesis

C#m **B**
A day of uncertain weather
Bb **E** **B**
Captured in a frame forever
F#m **B** **C#m**
A face in a faded photograph

C#m B Bb E }x2

C#m **B**
He must have had a life
Bb **B**
Maybe with a family
Bb **E**
People who meant everything to him
A sinner, A saint, A soldier
Bb **E** **B**
Caught up in a war he never
F#m **B** **C#m**
Had a chance to start or build a life

Bb **E**
All gone long ago
Bb **F#m** **E** **C#m**
Leaving no trace, disappearing like smoke in the wind
To become just a face without a name
Leaving no trace, disappearing like smoke in the wind

C#m **F#m** **C#m**
Hopes and fears, important plans, forgotten memories
Footsteps fading in the sand, ooh
Schemes and dreams small and grand, nothing left to see
Footsteps fading in the sand, ooh

C#m B Bb E }x2

Someone who cast a shadow
Maybe just a lazy man
Doesn't make much difference now it's true
A day of uncertain weather
Captured in a frame forever
A face in a faded photograph

Chorus:

All gone long ago
Leaving no trace, disappearing like smoke in the wind
To become just a face without a name
One more to add to the total of those never heard of again

Chorus:

Yes he s gone, just a face without a name
Leaving no trace, disappearing like smoke in the wind
All gone, just a face without a name
Leaving no trace, disappearing like smoke in the wind
