Genesis

Esus E C#m A
The curtains are drawn now the fire warms the room
Am Esus Bm C#m
Meanwhile, outside, wind from the north-east chills the air
F#m D A
It will soon be snowing out there
Am Esus Bm C#m
And some, there are, cold they prepare for a sleepless night
F#m D A
Maybe this will be their last fight
C#m A C#m A
But we re safe in each other s embrace, all fears go as I look on your face

D E Bm D A
Better think awhile or I may never think again
D G Gm
If this were the last day of your life my friend
F#m B
Tell me what do you think you would do then

E Amaj7
Stand up to the blow that fate has struck upon you
E Amaj7
Make the most of all you still have coming to you
F#m F#m7 B
Lay down on the ground and let the tears run from you
C#m A B
Crying to the grass and trees and heaven finally on your knees

E Amaj7
Let me live again let life come find me wanting
E Amaj7
Spring must strike again against the shield of winter
F#m F#m7 B
Let me feel once more the arms of love surround me
C#m A G#sus G# C#
Telling me the danger s past, I need not fear the icy blast again

Esus E C#m A
Laughter and music and perfume linger here
Am Esus Bm C#m
And there, and there, wine flows from flask to glass and mouth
F#m D A
As it soothes confusing our doubts
Am Esus Bm C#m
And soon, we feel, why do a single thing today
F#m D A

There s tomorrow sure as I m here

C#m **A** **C#m** **A**
So the days they turn into years, and still no tomorrow appears
