Genesis

Fsus F Dm Bb
The curtains are drawn now the fire warms the room

Bbm Fsus Cm Dm
Meanwhile, outside, wind from the north-east chills the air

Gm Eb Bb
It will soon be snowing out there

Bbm Fsus Cm Dm
And some, there are, cold they prepare for a sleepless night

Gm Eb Bb
Maybe this will be their last fight

Dm Bb Dm Bb
But we re safe in each other s embrace, all fears go as I look on your face

Eb F Cm Eb Bb
Better think awhile or I may never think again

Eb G# G#m
If this were the last day of your life my friend

Gm C
Tell me what do you think you would do then

F Bbmaj7
Stand up to the blow that fate has struck upon you

F Bbmaj7
Make the most of all you still have coming to you

Gm Gm7 C
Lay down on the ground and let the tears run from you

Dm Bb C
Crying to the grass and trees and heaven finally on your knees

F Bbmaj7
Let me live again let life come find me wanting

F Bbmaj7
Spring must strike again against the shield of winter

Gm Gm7 C
Let me feel once more the arms of love surround me

Dm Bb Asus A D
Telling me the danger s past, I need not fear the icy blast again

Fsus F Dm Bb
Laughter and music and perfume linger here

Bbm Fsus Cm Dm
And there, and there, wine flows from flask to glass and mouth

Gm Eb Bb
As it soothes confusing our doubts

Bbm Fsus Cm Dm
And soon, we feel, why do a single thing today

Gm Eb Bb

There s tomorrow sure as I m here

Dm **Bb** **Dm** **Bb**
So the days they turn into years, and still no tomorrow appears
