

Undertow
Genesis

Dsus D Bm G
The curtains are drawn now the fire warms the room

Gm Dsus Am Bm
Meanwhile, outside, wind from the north-east chills the air

Em C G
It will soon be snowing out there

Gm Dsus Am Bm
And some, there are, cold they prepare for a sleepless night

Em C G
Maybe this will be their last fight

Bm G Bm G
But we re safe in each other s embrace, all fears go as I look on your face

C D Am C G
Better think awhile or I may never think again

C F Fm
If this were the last day of your life my friend

Em A
Tell me what do you think you would do then

D Gmaj7
Stand up to the blow that fate has struck upon you

D Gmaj7
Make the most of all you still have coming to you

Em Em7 A
Lay down on the ground and let the tears run from you

Bm G A
Crying to the grass and trees and heaven finally on your knees

D Gmaj7
Let me live again let life come find me wanting

D Gmaj7
Spring must strike again against the shield of winter

Em Em7 A
Let me feel once more the arms of love surround me

Bm G F#sus F# B
Telling me the danger s past, I need not fear the icy blast again

Dsus D Bm G
Laughter and music and perfume linger here

Gm Dsus Am Bm
And there, and there, wine flows from flask to glass and mouth

Em C G
As it soothes confusing our doubts

Gm Dsus Am Bm
And soon, we feel, why do a single thing today

Em C G

There s tomorrow sure as I m here

So the days they turn into years, and still no tomorrow appears
