Genesis

F#sus F# Ebm B
The curtains are drawn now the fire warms the room

Bm F#sus C#m Ebm
Meanwhile, outside, wind from the north-east chills the air
G#m E B

It will soon be snowing out there
Bm F#sus C#m Ebm
And some, there are, cold they prepare for a sleepless night
G#m E B

Maybe this will be their last fight
Ebm B Ebm B
But we re safe in each other s embrace, all fears go as I look on your face

E F# C#m E B
Better think awhile or I may never think again
E A Am

G#m C#
If this were the last day of your life my friend
Tell me what do you think you would do then

F# Bmaj7
Stand up to the blow that fate has struck upon you
F# Bmaj7
Make the most of all you still have coming to you
G#m G#m7 C#
Lay down on the ground and let the tears run from you
Ebm B C#
Crying to the grass and trees and heaven finally on your knees

F# Bmaj7
Let me live again let life come find me wanting
F# Bmaj7
Spring must strike again against the shield of winter
G#m G#m7 C#
Let me feel once more the arms of love surround me
Ebm B Ebsus Eb Eb
Telling me the danger s past, I need not fear the icy blast again

F#sus F# Ebm B
Laughter and music and perfume linger here
Bm F#sus C#m Ebm
And there, and there, wine flows from flask to glass and mouth
G#m E B
As it soothes confusing our doubts
Bm F#sus C#m Ebm
And soon, we feel, why do a single thing today
G#m E B

There s tomorrow sure as I m here

Ebm **B** **Ebm** **B**
So the days they turn into years, and still no tomorrow appears
