Gentlefolk - Awkward

Verse: **Am G#m Gm G#m Am**

Am **G#m Gm**
Hey, you, what you re gonna do
after doing what you wanted to?

G#m Am usw...
Are you gonna try to forget the one you are
and wanna be who you used to be?
You changed yourself to someone else
you re even afraid of.
Hey, you, it s time to find your way... today.

Chorus: **Em G D**

No matter whom you tell it,
no matter what they say,
you gotta stand all over that
to keep your dignity ahead.
Maybe you re different and they re scared
but I don t think that you should care,
cause you are not the only one.

Verse: **Am G#m Gm G#m Am**

Hey, you,
guess you should leave this place
if you wanna find yourself.
Go to somewhere new,
a bigger place than this,
to make your experience.
You have to try and try and try and try,
if you know what I mean.
Hey, you, it ll bring you closer to your way... someday.

Bridge: (Steffen alleine)

World seems to fall apart
for you and for me
if you won t change yourself
to who you re supposed to be.
Think I m gonna be afraid
if you ll start thinking bout me.

Verse: **Am** **G#m** **Gm** **G#m** **Am**

Hey, you,
I think I finally found the reason why you changed yourself.
Maybe it's cause you
hadn't had a romance with someone who knows about.
Behind such fog
you might find another person,
can you see the shimmering light?
Hey, you are at the tunnel's end, my friend.

Chorus:(x2) **Em** **G** **D**

No matter whom you tell it,
no matter what they say,
you gotta stand all over that
to keep your dignity ahead.
Maybe you're different and they're scared
but I don't think that you should care,
cause you are not the only one.
