

**Church And The State
Gentleman**

Repeat: **Gm** | **F**.

devilstation they intensify
church and state they can t statify
while the children still a multiply
I see babymothers cry
while the babyfathers die

break my backbone while you sit down on your throne
you must living ina twilight zone
it s a good thing I man tuff like a rock stone
never gonna hear me weap you ll never gonna hear me mone
creating all the circumstance
still you re claiming that a you the one who nuh reponse
when the revolutionary man a take his stand
you Mr. jacket and tie it nuh make sense you run

promises and lies is what a gwaan
these are the things righteous people a scorn
prophet a ring the alarm
tell the heads of government fi cool and fi calm
and if you live by what you should
and you re doing what you could
there ll be no bad but good
living out in hollywood
nuh care about no flesh and blood
you think ina the mod

you only govern with your weapon
but dem ya things seh we nuh deh pon
man a no stool fi you and fi step pon
we ago trample duppy and the demon
nuh join dem gang and me nuh ku-klux dem clan
listen to the words of a living man
this oppression me don t understand
are you a creature, beast are you human ?
