This is an easy version of the song, not exactly as Moore or Chapman play it, but it has the same melody, with standard tuning.

I play this with the capo on 5th fret, because it sounds more similar to the recording...

but you could adjust the capo to your vocal range, if you want.

May God bless you :)

Intro: D --D2--G, D--G2--Bm, D --D2--G, Asus4 Bm

G

How do you explain...?

Bm

How do you describe...?

G

A love that goes from east to west,

Asus4

Bm

And runs and deep as it is wide...?

G

You know all our hopes

Bm

Lord, you know all our fears

G

Asus4

And words cannot express the love we feel

Bm

But we long for You to hear

(Chorus):

G

So listen to our hearts (oh, Lord, please listen)

Bm

Hear our spirits sing (and hear us sing)

G

Asus4

A song of praise that flows (a simple song of praise)

Bm

From those You have redeemed (from those You have redeemed)

G

We will use the words we know

Asus4 **Bm** **Asus4** **G**

To tell You what an awesome God You are

G

But words are not enough

Asus4

To tell You of our love

D2

So listen to our hearts

G

If words could fall like rain

Bm

From these lips of mine

G

And if I had a thousand years

Asus4

...I would still run out of time

G

So if You listen to my heart

Bm

Every beat would say,

G

Asus4

Thank You for the Life, thank You for the Truth,

Bm

Thank You for the Way

(Chorus)
