

**Just The Two Of Us**

**George Benson**

here s an actually easy one

George Benson style!!

woo!

it s a simple jazz song

use the feel if u want the timings right.

but u can follow the bass..

Intro , Chorus

**Cm B Em Dm-G**

and on, and on, and on, and on, until ur done..

and increase the strumming at the chorus and back into 1 stroke at the verse..
