

**This Masquerade**  
**George Benson**

This Masquerade  
as recorded by George Benson on Breezin

**Gm**                      **FmMaj7**                      **Gm7**                      **C**  
Are we really happy here in this lonely game we play

**Gm**                      **Eb**                      **A**                      **D**  
Looking for words to say

**Gm**                      **FmMaj7**                      **Gm7**                      **C**  
Searching but not finding understanding anywhere

**Eb**                      **D**                      **Gm**  
We re lost in a masquerade

**F#m7**

**Fm7**                      **Bb**                      **Eb**                      **C**  
Both afraid to say we re just to far away

**Fm7**                      **Bb**                      **Eb**  
>From being close together from the start

**Em7**                      **A**                      **D**  
We tried to talk it over but the words got in the way

**Am**                      **A**                      **D**                      **G#**  
Were lost inside this lonely game we play

**Gm**                      **FmMaj7**                      **Gm7**                      **C**  
Hearts of weeping disappear every time I see your smile

**Gm**                      **Eb**                      **A**                      **D**  
No matter how hard I try

**Gm**                      **FmMaj7**                      **Gm7**                      **C**  
To understand the reasons that we carry on this way

**Eb**                      **D**                      **Gm**  
We re lost in a masquerade.
