C **G** **Em**

Em

Did you steal my name?

Em

Oh, you Jack of all trades

C **G** **Em**

Youre the master of none

C **G** **Em**

Oh, the race has begun

C **G** **Em**

I was born a champion

C **G** **Em**

I was born to jump and run

C **G**

Did you hear the rain?

G **D** **D**

Oh, the rain?

C **G** **Em**

You can try & run & hide

C **G** **Em**

Tearing at the chain

C **G** **Em**

Oh, Lucifers inside

for this parts its all the same

Did your siblings tell you

I was wasting up your time

Oh, now youre wasting mine

You put me back in line

And Im counting every link

And I guess you think thats fine

Did you hear the rain?

Oh, the rain?

You can try & run & hide

Tearing at the chain

Oh, Lucifers inside

Oh, did I send a shiver
Down your spine?
Well I do it all the time
Its a little trick of mine
Did I make you shake your knees
Did I make him spill his wine
Lord, Im spreading like disease
Lord, Im all up in your mind
Oh, Lucifers inside
Lucifer s inside

Did you hear the rain?
Oh, the rain?
You can try & run & hide
Tearing at the chain
Means Im coming home again
Means Im coming home my friend
Oh, Lucifers inside
Oh, Lucifers inside
Oh, Lucifers inside.
