

Listen To The Man
George Ezra

[Intro] G/B C9 G/B C9

I feel your head resting heavy on your single bed

I want to hear all about it

Get it all off your chest, oh

I feel the tears and you re not alone, oh

When I hold you, well I won t let go, oh

Why should we care for what they re selling us anyway

We re so younger than you know, whoa

You don t have to be there, babe

You don t have to be scared, babe

You don t need a plan of what you wanna do

Won t you listen to the man that s loving you

Your world keeps spinning and you can t jump off

But I will catch you if you fall I can t tell you enough

I hate to hear that you re feeling low

I hate to hear that you won t come home

Why should we care for what they re selling us anyway

We re so younger than you know, whoa

You don t have to be there, babe

You don t have to be scared, babe

You don t need a plan of what you wanna do

Won t you listen to the man that s loving you, whoa, whoa, whoa
