        E  F#m  G#m  A
        E          F#m      G#m     A
        Sunrise doesn't last all morning
        E    F#m               G#m      A
        A cloudburst doesn't last all day
        E             F#m                G#m              A
        It seems my love is up and has left you with no warning
        E         F#m           G#m      A
        It's not always gonna be this grey

        Bm                A   A4  A
        All things must pass
        E                F#m    E   F#m  G#m  A
        All things must pass away

        E          F#m      G#m     A
        Sunset doesn't last all evening
        E   F#m                  G#m    A
        A mind can blow those clouds away
        E            F#m           G#m              A
After all this my love is up and must be leaving
E     F#m      G#m      A
It's not always gonna be this grey

Bm            A      A4     A
All things must pass
E             F#m      E
All things must pass away
Bm             A      A4     A
All things must pass
Bm             A
None of life's strings can last
E             F#m      G#m
So I must be on my way
A
To face another day
E             F#m      G#m      A
Now the darkness only stays the nighttime
E             F#m      G#m      A
In the morning it will fade away
E             F#m      G#m      A
Daylight is good at arriving at the right time
