You don t need no passport  
And you don t need no visas

If you open up your heart  
You ll see he s right there  
He always was and will be  
He ll relieve you of you cares

The Lord is awaiting on you all to awaken and see

(verse)

You don t need no church house  
You don t need no temple  
You don t need no rosemary bead or those books you read  
To see that you have fallen  
If you open up your heart  
You ll know what I mean  
We ve been kept down so long  
There starting to think we re all green

(chorus)

And while the Pope owns 51% of general motors  
And the stock exchange is the only thing he s qualified to quote us  
The Lord is awaiting on you all to awaken and see  
By chanting the name of the Lord and you ll be free
