Rained for a year til it dampened my heart
Cracks and leaks, the floorboards caught rot

All it s gotta take is some warmth to make it
Blow away, blow away, blow away

Sky cleared up, day turned to bright Closing both eyes, now the head filled with light Hard to remember the state I was in Instant amnesia, yang to the yin

Chorus

Rainbows appearing, the pressure was burst
Breezes as singing, now feeling good
The moment had passed like I knew that it should

This is played after the Chorus:
