

Here Comes The Moon
George Harrison

Intro: A7 D D/C#

Em A7/A#

Everybody s talking up a storm

A7

Act like they don t notice it

G7 A7sus4

But here it is and here it comes . . .

D F#m Hm D7 G E7

Chorus: Here comes the moon, the moon, the moon, the moon (2 times)

Intro:

Impulse always quickens when it s full

As it turns my head around me

Yes it does and here it comes

Chorus:

Em7 A7 D

God s gift I see that s moving up there into the night . . .

Em7 A7 D D/C#

Though dark the mirror in the sky reflects us our light:

Looks like a little brother to the sun

Or mother to the stars at night

And here it is and here it comes

Chorus:

Breath is always taken whan it s new

Enhance upon the clouds around it

Yes it is and here it comes

Chorus:
