

**I Live For You**  
**George Harrison**

D     F#m               Bm               D9  
All alone in this world of mine,  
D     F#m               Bm               D9  
Not a care for this world have I  
D     F#m               Bm               D9,  
Only you keep my eyes open wide,  
D               A               Bm               D  
Yes, it s true, I live for you  
D     F#m               Bm               D9  
Not a thing in this world do I own,  
D     F#m               Bm               D9  
Only sadness and mourn that is grown  
D     F#m               Bm               D9  
In this darkness I wait for the day,  
D               A               Bm               D  
Yes, it s true, I live for you.

Bm               Em               D  
Through many years I ve wait,  
Bm               Em               D  
Through many tears I ve weeped.

D     F#m               Bm               D9  
All this time my thoughts return to you,  
D     F#m               Bm               D9  
Give my love that is all I can do,  
D     F#m               Bm               D9  
Wait in line till I feel you inside,  
D               A               Bm               D  
Yes, it s true, I live for you
