I want a love that s right, but right is only half of what s wrong
Dm7

I want a short-haired girl who sometimes wears it twice as long
F7

Now I m stepping out this old brown shoe

Ab
Baby I m in love with you
F7

I m so glad you came here,
E7 **Am**
it won t be the same now I m telling you

You know, you pick me up from where some tried to drag me down
And when I see your smile replacing every thoughtless frown
So escaping from this zoo
Baby I m in love with you
I m so glad you came here
It won t be the same now when I m with you

(Chorus:)
G
If I grow up I ll be a singer
F
Wearing rings on ev ry finger
G
Not worrying what they or you ll say
F
I ll live and love and maybe someday
F#o **G7**
Who knows baby you may comfort me...

(Instrumental:) **C7 Dm7 F7 Ab F7 E7 Am**

(Chorus:)
I may appear to be imperfect
My love is something you can t reject
I m changing faster than the weather
If you and me should get together
Who knows baby you may comfort me...

I know my love is yours to miss that love is something I d hate
I ll make an early start I m making sure that I m not late
For sweet top lip I m in the queue
Baby I m in love with you
I m so glad you came here, it won t be the same now when I m with you
I m so glad you came here, it won t be the same now when I m with you

I m so glad you came here, it won t be the same now when I m with you

(Coda:) **C7**
