Rising Sun George Harrison

Intro: G A Cm G (3x) G

Gm On the street of villains, taken for a ride Gm D you can have the devil as a guide Gm D crippled by the boundaries, programmed into guilt Gm til your nervous system starts to tilt Gm And in the room of mirrors you can see for miles Gm but everything that s there is in disguise Gm every word you ve uttered and every thought you ve had D is all inside your file, the good and the bad

G A Cm G A Cm

But in the rising sun, you can feel your life begin G G7

universe at play, inside your DNA
C Cm

you re a billion years old today

you re a billion years old today

G A Cm G A Cm

oh the rising sun, and the place it s coming from

G C Cm

is inside of you, and now your payment s overdue

G A Cm G A Cm

oh the rising sun,

G A Cm G

oh the rising sun

(**G A**)

D Gm D Gm
On the avenue of sinners I have been employed
D Gm D Bb C
working there til I was near destroyed
D Gm D Gm
I was almost a statistic inside a doctor s case
D Gm D Bb C
when I heard the messenger from inner space

```
Gm D Bb C
      D
but he held onto my umbilical cord
                     D
                Gm
until the ghost of memory, trapped in my body mind
                   D D D/E D/F#
               Gm
came out of hiding to become alive
               Cm
                         G
And in the rising sun you can hear your life begin
                      G7
and it s here and there, nowhere and everywhere
      C
though it s atmosphere is rare
G A Cm
                                  Α
                                          Cm
oh the rising sun and the place that it s coming from
                      C
is inside of me, and now I feel it constantly
G A Cm G A Cm
oh the rising sun
G A Cm
oh the rising sun
( G A )
Solo: D
        Gm
           D
                 Gm
                 Bb C
        Gm
             D
    D
        Gm
            D
                  Gm
             D D/E D/F#
    D
        Gm
G A
              Cm
                         G
                                  A
But in the rising sun, you can feel your life begin
       G7
universe at play, inside your DNA
you re a billion years old today
                G
G A Cm
oh the rising sun, and the place it s coming from
                C
is inside of you, and now your payment s overdue
G A Cm G
               A Cm
oh the rising sun
      A Cm G
oh the rising sun
      A Cm G A Cm
oh the rising sun
      A Cm G
```
