Now the winter has come eclipsing the sun

F C G D
That has lighted my love for some time

F C G D Em
And a cold wind now blows not much tenderness flows

F C G
From the heart of someone feeling so tired

D Bm(maj7) Bm E7
And he feels so alone with no love of his own

D A Em7 A D A Em7 A D A Em7 A D A Em7 A D
So sa-ad, so ba-ad, so sa-ad, so ba-ad

F C G D Em
While his memory raced with much speed and great haste

F C G D
Through the problem of being there

F C G D Em
In his heart at arm s length held within its great strength

F C G
To ward off such great despair

D Bm(maj7) Bm E7
But he feels so alone with no love of his own

So sa-ad, so ba-ad, so sa-ad, so ba-ad

So sa-ad, so ba-ad, so sa-ad, so ba-ad

Take the dawn of the day and give it away

F C G D
To someone who can fill the part

 Of the dream we once held now it s got to be shelved

F **C** **G**
 It s too late for to make a new start
