There s a man talking on the radio, what he s saying i dont really know. seems
his lost
stocks and shares, stops and stares, he s affraid i know, but that s the way it
goes.

Verso:

There s an actor who hopes to fit the bill, sees a shining city on a hill
step up close and see he s blind, wined and dined, all he has is pose
and that s the way it goes.

Verso:

There s a fire that burns away the lies, manifesting in the spiritual eye
though you won t understand the way I feel, you conceal, all there is to know
that s the way it goes.

that s the way it goes.

that s the way it goes.
