

**The Day The World Gets Round**  
**George Harrison**

**D Dmaj7 D**  
The day the world gets round to  
**E7sus E7**  
Understanding where it is  
**A7**  
Using all it s found  
**G D**  
To help each other hand in hand

**D Dmaj7 D**  
The day the world gets round  
**E7sus E7**  
To understanding where it s gone  
**A7**  
Losing so much ground  
**G D**  
Killing each other, hand in hand

**D G A7 G**  
Such foolishness in man I want no part  
**D E7sus A7**  
Of their plan, oh no  
**C G D**  
If you re the destructive kind  
**C G D**  
Now I m working day to day  
**C G A7**  
As I don t want to be like you  
**C G D**  
I look for the pure of heart  
**C G D**  
And the ones that have made a start  
**C G A7**  
But Lord there are just a few who  
**G C G C G**  
Bow before you in silence they pray  
**D Dmaj7 D E7sus E7**  
Oh how they pray for the day the world gets round  
**A7 G**  
Using all they ve found to help each other  
**D Dmaj7 D**  
Hand in hand, the day the world gets round
