

The Light That Has Lighted The World

George Harrison

G / Bm / Em / G /

I ve heard how some people have said that I ve changed

That I m not what I was how it really is a shame

The thoughts in their heads manifest on their brow

Like bad scars from ill feelings they themselves arouse

So hateful of anyone that is happy or free

They live all their lives without looking to see

The light that has lighted the world

A / / / Am / D6 / / / G / Bm / Em / G /

A / / / Am / D6 / / / Am / Cdim / G / E /

Am / Cdim / G / E / A (add B) / Am / G / Bm / Em / G /

It s funny how people just won t accept change

As if nature itself they d prefer re-arranged

So hard to move on when you re down in a hole

Where there s so little chance to experience soul

I m grateful to anyone that is happy or free

For giving me hope while I m looking to see

The light that has lighted the world
