TIRED OF MIDNIGHT BLUE
by George Harrison
transcribed by Petteri JÃ¶rvinen

The chords in the chorus are probably way off so if anyone has any
suggestions or comments I d be happy if you let me know.

Am

The sun came into view

B7 Dm

As I sat with the tears in my eyes

Am

The sun came up on you

B7 Dm

And as you smiled, the teardrop, it dried

C

I don t know where I had been

But I know what I have seen

Made me chill right to the bone

E7 Am

Made me wish that I d stayed home along with you

C E7 Am

Tired of midnight blues

Am

The sun came up so high

B7 Dm

And as it shone, I realized your love

C

Don t know where I had been

But I know what I have seen

Made me chill right to the bone
