## Your Love Is Forever George Harrison

D

Sublime in the summertime, warm and lazy
These are perfect days like heavens about here,

G A I

But unlike summer came and went - your love is forever,

Gm G

I feel it and my heart knows that we share it together.

Resigned to the winter times cold and dreary
Peering into fire flames, burning I know
That unlike winter came and went - your love is forever
I feel it and my heart knows that we share it together

D A

I feel it and my heart knows you re the one

F

The guiding light in all your love shines on  $$\tt Gm \ G$$ 

The only lover worth it all - your love is forever.
