

**A Picture Of Me Without You**

**George Jones**

**G** **G7** **C** **G**  
Imagine a world where no music was playing  
**G** **D**  
then think of a church where nobody s praying  
**G** **G7** **C** **G**  
if you ve ever looked up at a sky with no blue  
**G** **D** **G**  
then you ve seen a picture of me without you

**G** **G7** **C** **G**  
Have you walked in a garden where nothing was growing  
**G** **D**  
or stood by a river where nothing was flowing  
**G** **G7** **C** **G**  
if you ve seen a red rose unkissed by the dew  
**G** **D** **G** **G7**  
then you ve seen a picture of me without you

**C** **G**  
Can you picture Heaven with no angels singing  
**G** **D**  
or a quiet Sunday morning with no church bells ringing  
**G** **G7** **C** **G**  
if you ve watched as the heart of a child breaks in two  
**G** **D** **G**  
then you ve seen a picture of me without you

**G** **D** **C** **G**  
then you ve seen a picture of me without you
