Don t Send Me No Angels

G C G
When the storm clouds gather & I m losing my mind
D
She stands right beside me she lights up my day
G C G
She s the one thing I found in a world that s gone wrong
D G
She s the words & the music to the world s finest song

C C
CHO... Lord let me keep her at least for a while
D
I promise I ll love her till I ve walked my last mile
G C G
When your trumpets are sounding & you ve played my song
D G D C
Don t send me no angels cause I ve got my own

G C G

She stayed with me thru the hard times that s still goin on

That old feeling between us it s still comming on strong

When my eyes close forever & my last breath is gone

Don t send me no angels cause I ve got my own

CHO...

Don t send me no angels cause I ve got my own

Boy is that tear jerker :)
