Her Name Is
By George Jones

G **C**
Oh, I love her and just can't live without her
D **G**
And I've got the urge to tell the world about her
G **C**
But our love's a secret and can't see the light of day
D **G**
But I went and wrote this love song anyway

Chorus:

G **C**
Her name is _ _ _ her eyes are _ _
D **G**
Her hair is just like _ _ and she measures _ _ _
G **C**
But someday I'll fill in the lines when she and I are free
D **G**
And we'll walk in the sunshine, _ _ _ and me

Instrumental

G **C**
Oh, it really is a scandal and disgrace
D **G**
To have to call your woman what s-her-face
G **C**
But her husband thinks he owns her heart and soul for life
D **G**
And he'll kill the man who messes with his wife

Chorus:

G **C**
Her name is _ _ _ her eyes are _ _
D **G**
Her hair is just like _ _ and she measures _ _ _
G **C**
But someday I'll fill in the lines when she and I are free
D **G**
And we'll walk in the sunshine, _ _ _ and me

G **C**

Yes, someday I ll fill in the lines when she and I are free
