It Sure Was Good George Jones It Sure Was Good Chorus: в7 Α Е We don t know what it was but we had it Α в7 E We don t know where it went but we lost it в7 Α E Α And it may never come back again but I sure wish it would в7  $\mathbf{E}$ Α We don t know what it was but it sure was good Е в7  $\mathbf{E}$ The first time I laid eyes on you, I saw it в7 E Shining in your eyes as bright as day Ε Α Α And when I held you in my arms, I felt it **B7** E Oh, like a fool I let it slip away The first time that we kissed, I could taste it Sweet upon my lips like a song The moment we made love I knew I d found it One day I woke up and it was gone

## Chorus

If you had one more chance would you take it And would you stand beside me from now on? The second time around could we make it And would you be there with me, holdin on?

Chorus +: No, we don t know what it was but it sure was good
