Walls Can Fall

(Capo on 1st fret)

E A E B7 E

A E A E
I once stood in the darkness I couldn't see a light

A E B7
Backed up against the wall I built around my life

E A E A E
I'd run out of reasons to ever love again

A E B7 E
But somehow you found a door & you came waltzin' in

CHO... **A E**
Walls can fall, storms can end
B7

Skys can clear, hearts can mend

E

A

All it took was your sweet love to rise above it all

E

A

E

B7

E

You can build em strong & tall but walls can fall

INST... **E A E B7 E**

E

A

E

A

E

Here we stand together with stones enough to build

A

E

B7

A bridge into forever beyond the highest hill

E

A

E

A

The past will fade behind us if we let the future shine

A

Not a thing can come between us if we always keep in mind

CHO....That....

You can build em strong & tall but walls can fall.
