What my woman can t do can t be done

**C** **F** **C**  
It amazes me how she can change my mind

**G7**  
When it seems to be impossible she can do it every time

**C** **F** **C**  
And the way she always loves me she s got that down perfect too

**F** **C** **G7** **C**  
I keep asking myself what is it the lady can t do

**F** **C**  
She brightens any room she walks inside

**G7**  
And the way she comes in smiling you d never think she ever cries

**C** **F** **C**  
She still looks as young and pretty as she did the day we met

**F** **C** **G7** **C**  
If there s one thing bad about her I ain t found it yet

**F** **C** **F** **C**  
What it is my woman can t do can t be done

**D7 G7**  
If there s ever been a darling I ve got one

**C** **F** **C** **F** **C**  
She beats all I ve ever seen she s the champion of our team

**F** **C** **G7** **C**  
What my woman can t do can t be done

**F** **C** **G7** **C**  
What my woman can t do can t be done
