

When The Last Curtain Falls
George Jones

When The Last Curtain Falls
Capo1

Intro Chords: **F#m F#m/ A D A**

A **E D**
Even though I still sting from the words you threw at me

A **E**
There s no pleasure at all watching you fall to your knees

D **A**
Cause the tables have turned and I m finally learning to live and forgive and

A D A E A
There s no sweet revenge at loves angry end and we all need to know

Chorus

A
When the last curtain falls with a final goodbye

G D A
And the bitter cold darkness of night floods the days of our light

F#m D A D
With a silence so loud we can t feel at all

A D A D E A
There s no reason or cause to cheer or applause when the last curtain falls

The irony is that you re wearing the look I once wore
And in truth I ve longed for this moment to settle the score
But it s not all clear now that I m hearing you echo the thoughts of my soul
The justice of time is not really mine and I think you should know.

Repeat Chorus

A D A D E A
There s no reason or cause to cheer or applause when the last curtain falls
