

A Diferent Corner
George Michael

Capo on fourth fret

D Em7 D

I d say love was a magical thing

I d say love would keep us from pain

Had I been there, had I been there

I would promise you all of my life

But to lose you would cut like a knife

So I don t dare, no I don t dare

Cause I ve never come close in all of these years

You are the only one to stop my tears

And I m so scared, I m so scared

Take me back in time, maybe I can forget

Turn a different corner and we never would have met

Would you care?

I don t understand it; for you, it s a breeze

Little by little, you ve brought me to my knees

Don t you care?

No, I ve never come close in all of these years

You are the only one to stop my tears

I m so scared of this love

A D

And if all that there is is this fear of being used

I should go back to being lonely and confused
