Am

I was mixed up when you came to me

F

Too broke to fix

Am

Said daddy get you gone, I m missing my baby

F

Still missing my baby

Verso 2:

Am

I was stitched up by the hands of fate

F

Said how you gonna make it on your own

Am

If luck is a lady?

F

Maybe luck is a lady

PreChorus:

Dm

I was going down for the third time

Am

G

Dm

My heart was broken, I was not open to your suggestion

F

I had so many questions

G

That you just kissed away

Chorus:

Am

F

Tell me, I guess that cupid was in disguise

G

That day you walked in and changed my life

F

I think it s amazing

G

Am

The way that love can set you free

F

So now I walk in the midday sun

G

I never thought that my saviour would come

F G

I think it s amazing

Am F

I think it s amazing

Am F

I think you re amazing

Verse 3:

Am

You tried to save me from myself

F

Said Darling, kiss as many as you want!

Am

My love s still available

F

And I know you re insatiable

Am

We re like victimns of the same disease

F

Look at your Big Bad Daddy, and your mom

Am

F

And your mom...was always acting crazy

PreChorus:

Dm

I was going down for the third time

Am

G

Dm

My heart was broken, I thought that loving you was out of the question

F

Then I saw my reflection

G

Saying please don t let this go

Chorus:

Am

F

Tell me, I guess that cupid was in disguise

G

That day you walked in and changed my life

F

I think it s amazing

G

Am

The way that love can set you free

F

So now I walk in the midday sun

G

I never thought that my saviour would come

F G

I think it s amazing

Am

I think you re amazing

Celebrate the love of the one you re with

F

G

Celebrate, this life with your baby

F

G

I think you should celebrate yeah

Am

Don t put your love in chains baby

F

No no, walk in the midday sun

G

I thought I was dreaming

F

G

I think it s amazing

Am

I think you re amazing

F

G

F

G

Am

I said celebrate the love of the one you re with

F

As this life gets colder

G

And the devil inside

F

G

Am

Tells you to give up
