I swear I won t tease you

**A**

**B**

Won t tell you no lies

I don t need no bible

**A**

**B**

Just look in my eyes

I ve waited so long baby

**A**

**B**

Now that we re friends

Every man s got his patience

So why don't you just let me go

I'd really like to try

**A** **B**

Oh, I'd really love to know

When you tell me you're gonna regret it

**A** **B**

Then I tell you that I love you but you still say NO!

I swear I won't tease you

**A** **B**

Won't tell you no lies

I don't need no bible

**A** **B**

Just look in my eyes

I've waited so long baby

**A** **B**

Out in the cold

I can't take much more girl

**A** **B**

I'm losing control

I want your sex

**A** **B**

I want your love

I want your sex

**A** **B**

I want your sex

It's natural

It's chemical (let's do it)

It's logical

Habitual (can we do it?)

It's sensual

But most of all.....

Sex is something that we should do

Sex is something for me and you

**B**

Sex is natural - sex is good

**A**

Not everybody does it

But everybody should

**B**

Sex is natural - sex is fun

**A** **B** **A** **B**

Sex is best when it s....one on one

**A** **B**

One on one

**A** **B**

**A**

I m not your brother

**B**

**A** **B**
