Sadness in my eyes  
No one guessed and no one tried  
You smiled at me like Jesus to a child  
Loveless and cold  
With your last breath you saved my soul  
You smiled at me like Jesus to a child  
And what have I learned from all these tears  
I ve waited for you all those years  
Then just when it began he took your love away  
But I still say

When you find a love  
When you know that it exists  
Then the lover that you miss  
Will come to you on these cold, cold nights  
When you ve been loved  
When you know it holds such bliss  
Then the lover that you kissed  
Will comfort you when there s no hope in sight
