Verse2: (same chords as verse 1)
And all these games that you play
Don t tell me how a man should be
Some would say if you knew
You wouldn t be here with me
I love you
I still love you
But I guess it s time to let you be
Chorus: (same chords as the previous chorus)
 Cause I have no secrets from you
And I have nothing left to hide
And I m so tired of all these questions
 Cause maybe you just changed your mind
Like I have
Like I have

Like I have
Like I have
