Subject: CHORDS: Waiting (Reprise)

```

James-

I tried unsuccessfully to post this to alt.guitar.tab.  
 At least this way it ll get into the Nevada database. Feel  
 free to post it, since I haven t been able to figure out how  
 to do it!

Thanks,  
 Brian Shelden  
 bshelden@sunlab.cit.cornell.edu

Hi all. This is not in the usual range of songs on alt.guitar.tab,  
 but it s a really easy, yet pretty song, off \_Listen Without Prejudice\_.

I m not sure what the real name of the chords are, but I m sure I ll  
 get flamed/corrected! ;)

Chords used:

```

+-----+
G      3 2 0 0 2 2
Gsus4  0 3 2 0 2 2
C      0 3 2 0 1 0
D      x x 0 2 3 2
+-----+

```

Waiting (Reprise)  
George Michael

**G**

Well there ain't no point in moving on

**Gsus4**

Until you've got somewhere to go

**G**

And the road that I have walked upon

**Gsus4**

Well it filled my pockets

**G**

And emptied out my soul

**Gsus4 G Gsus4**

**G**

All those insecurities,

**Gsus4**

That have held me down for so long,

**G**

Can't say I've found a cure for these,

**Gsus4**

But at least I know them, so they're not so strong,

**D**

You look for your dreams in heaven,

**C**

But what the hell are you supposed to do,

**G**

When they come true?

**Gsus4 G Gsus4**

**G**

**Gsus4**

Well there's one year of my life in these songs,

**G**

**Gsus4**

And some of them are about you

**G**

**Gsus4**

Now I know there's no way I can right those wrongs

**G**

Believe me

**Gsus4**

I would not lie you've hurt my pride

**D**

And I guess there s a road without you

But you once said

**C**

There s a way back for every man

**G Gsus4**

So here I am

**G**

Don t people change, here I am

**Gsus4**

Is it too late to try again

**G**

Here I am
