

## Im In Love Again

George Morgan

Feel free to move the capo around to fit your voice...

I can't reach the notes with the capo on 4, I play 2.

George's studio version roughly follows capo on the 4th fret.

Have fun!

[Verse 1]

**C** **F**  
Not so long ago I had my poor heart broken  
**C** **G7**  
I said crazy heart see what a fool you've been  
**C** **F**  
Now I've met you and although we've barely spoken  
**G7** **C**  
I hear wedding bells and I'm in love again

[Chorus]

**F**  
I'm in love again and wedding bells are ringing  
**C** **G7**  
I'm so happy I'm afraid this dream might end  
**C** **F**  
Live each day as though the last my heart keeps singing  
**G7** **C**  
I hear wedding bells and I'm in love again

[Verse 2]

**F**  
When she left me I was sure my world had ended  
**C** **G7**  
And I couldn't even speak to our friends  
**C** **F**  
And then just as my poor heart was getting mended  
**G7** **C**  
I hear wedding bells and I'm in love again

[Chorus]

**F**  
I'm in love again and wedding bells are ringing  
**C** **G7**  
I'm so happy I'm afraid this dream might end  
**C** **F**  
Live each day as though the last my heart keeps singing  
**G7** **C**  
I hear wedding bells and I'm in love again
