George Ogilvie

This is the correct way of playing the album version of this song. George emphasizes and elongates some syllables a lot, so I try to show that in the lyrics below.

Tuning: Standard

Capo: 5th fret

Chords are relative to the capo!

Chords:

	Am7(b13)	Cadd9/G	Em7	Bm7	Em	C

Are you disappointed? Things are far from what they seem

And do you watch me wary of what you miiii-ight see?

Do you regret your invitation or your couuuu-urtesy?

Oooooo-oor are you running out of patience? As you leave so poliiiiiii-iitely

What is becoming of the two of us? I m turning time back just to rise above

As if we ve never been, never been here before Praying on a better ending or just something so we ll stop preteeeending

As if we ve never been, never been here before
